

Angel Up Front

"...Totty fronted rawk"

We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day.... Best enjoyed through a haze of alcohol, which takes the edge off of any unplanned "Jazz Odyssey" moments, and more importantly means that the pubs make enough money to be able to pay us....

***** Puzzle Corner *****

Martin's Satnav has broken again. Help him find his way to the gig – but watch out for those transvestite guitar players...

What's all this, then?

Welcome to this month's flyer for Angel Up Front, the best thing since sliced Big Brother contestant. Here's a taster of our upcoming gig schedule, and the kind of idiocy you can find on our website, www.angelupfront.co.uk.

If you like this kind of thing, why not subscribe to our regular email Angel UpDate? It's free, it's painless, and it's available in Ready Salted or Cheese'n'Onion flavours. Just bang an email to contact@angelupfront.co.uk, and we'll send a stream of merry tales from Life On The Road into your Inbox, plus warnings of upcoming gigs.

Highlights this month include a Night Out At The Seaside in Weymouth, plus several of our favourite regular places, and a new venue for us in Stroud. We'll see ya there... unless you see us first...
