Mystic Suzi Reads Your Stars

If it's your birthday this month, chances are you're a Capricorn. Mean-spirited and often verging on the retarded, Capricorns are noted for their poor personal hygiene and lack of imagination. What's all this, then?

We're Angel Up Front, purveyors of quality pre-owned rock and roll to the drinking masses of the South West, and the finest entertainment experience that money can buy. And we hope you enjoy it too.

If you like this kind of thing, seek medical attention. But first, subscribe to our email newsletter Angel UpDate.
