Howdy folks!

Daisy Duke here, welcoming you to this month's Angel Up Front flyer. As you can see, we got us a whole bunch of gigs again this month – I was so excited I darn near choked on my corn dog! I'm mighty sad to say our Martin has been feelin a bit down lately, since the Doc told him to lay off the moonshine - so to cheer him up, check out his very own very own Cowgirl Fantasy pic on the back page.

Y'all take care now!
