

Angel Up Front

"...Totty fronted rawk"

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another drink in. We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day, from when we start 'til closing time, and sometimes beyond...

Drawing Competition

This month, we're running a fantastic drawing competition. Draw a picture in the box below, and the one we think is best is the winner!*

Welcome to this month's Angel Up Front flyer

Either you've picked this up off the floor, or you've just been handed it by a vision of rock'n'roll loveliness. Or possibly Suzi. Either way, you'd better wash your hands. Anyhoo, we hand these out so you can find out where we're playing next, and avoid making the same mistake again. If you like this sort of thing, there's more on www.angelupfront.co.uk. If you don't - well, it'll still be there. We're also available for parties, weddings, bar mitzvahs, pantomime... actually we'll do almost anything for money.*

Sometimes, the voices in his head just got too much for Stuart...

This is our current end year schedule; but stuff happens, things change, you how it is, so please check with either us, or the venue, or a really good psychic, if you know one. While you're there, ask 'em why they haven't won the lottery yet. Alternatively, if you're desperate, contact Stuart via www.angelupfront.co.uk / 0778 867 3856

**but not that, so don't even ask*
