

Angel Up Front

Why are pirates called pirates...?

"...Totty fronted rawk"

Cap'n Stuart and the crew welcome you on a rip-roaring voyage of piracy, plundering the finest treasures from the last few decades of rawk; from Black Velvet to Black Sabbath, from Queen to the Kings of Leon; we got guns, we got roses, and we also got a whole lotta Suzi...

Because they Arrr...

For some reason, Cut Throat Jake...

..reminds me of my mate Little Ian...

Ahoy there me hearties, and welcome aboard the good ship Angel Up Front!

This month, we'll be settin sail on a voyage to plunder the Seven Seas, from the tropical shores of exotic Yate, through the treacherous straits of Haydon Wick and then leeward bound to the idyllic isles of Southmead. And Bosun Ben, for one, is hoping for plenty of booty to plunder...

So, make sure ye gets yeself along to some of these gigs and get up to dance a hornpipe or two, ye scurvy dogs; else ye might find yeselves walking the plank....
