## Name Ben's New Bass!

Our Ben is very excited this month – in addition to finally getting his picture on the front cover(ish), he's got a spanky new bass! And a fine, black thunderous beastie it is to be sure. Childishly, we think it needs a name, but we're a bit light on ideas – our best effort so far was to call it Lois, after the mom in Family Guy (because it gives Ben the same special warm tingly feeling inside). However, if you can come up with a better idea, and write it in the box\*, there's a pint\*\* in it for you. Right, while you're thinking – here's gigs....

\*No joined-up writing, please. We're musicians, not bloody university academics. And write slowly, we can't read fast.

\*\*We'll let Stuart choose what it's a pint of. Possibly mucus...

My suggestion is .....
