Hello, my little ones, and welcome to Evil Stu's House Of Pain... Prepare yourselves for a veritable feast of noxious rock'n'roll delights, as my little troupe perform for your delectation. Marvel at our femme fatale Suzi, who gargles razor blades for breakfast and can reduce a grown man to milkshake... wonder at my two miraculous dancing monkeys, and kneel in veneration before my mighty Bass Pedal Of Doom!

Bwuahaahaahaahaahaahaahaaaa.....

Note: Angel Up Front are currently experiencing a minor technical difficulty. Normal Stuart will be resumed as soon as possible. Meanwhile, here is some light music...
