

Angel Up Front

"....Totty fronted rawk"

Congratulations!!

You have just witnessed probably the finest rock band to play at this venue tonight. Why not commemorate this unique moment in musical history by buying them all a drink?

You know it makes sense...

Angel Up Front

Rock covers four-piece band

(or, sometimes)

Angel Under Cover

Rock covers duo

And occasionally even

Angel Unplugged

Acoustic rock

Good grief.

Well, I guess I ought to welcome you all to this month's Angel Up Front flyer. Springtime is here, and – apparently – joy is in the air, so here we have a selection of gigs for your listening pleasure. As long as we all manage to find them, and the van doesn't break down, and there isn't a power cut, and none of the equipment explodes, and the venue doesn't catch fire, or all of the audience perish in a volcano or catch some horrible disease that makes their legs fall off, and... Maybe I'll just stay home and sit in the dark instead...

...Stuart is a very happy man.
