Show your appreciation of your favourite drummer by wearing the all-new "Stooiee" iron-on tattoo! Unlike ordinary tattoos, which may cost hundreds of pounds and involve several hours of pain in the tattooists' studio, the new Angel Up Front Iron-On "Stooiee" tattoo can be applied in the comfort of your own home in just a few minutes! Simply set your iron to "steam" setting, place the tattoo where desired, and cover with a clean tea towel. Firmly apply the iron over the entire tattoo area, ensuring you cover the edges properly, for two minutes. Then carefully remove the tea towel, and hey presto! Your "Stooiee" tattoo is complete and ready to impress your friends.
