

Angel Up Front

Several weeks later, the mystery of Suzi's missing stage outfit was solved...

Yo homeys!

People often ask me - as spiritual leader of millions of souls and God's representative on this Earth - what I do to kick off the thuribles and relax. Well, when I'm not dressed up in a pink tutu torturing kittens, I like to get on down and catch up with Angel Up Front - the finest pub rock outfit this side of the Pearly Gates. See if you can spot me at one of their next gigs - after all, why should the Devil have all the best tunes?
