

# Angel Up Front

*If you're reading this, there's every chance you've just seen, or are just about to see, the West Country's most irresistibly attractive purveyors of quality pre-owned rawk'n'roll™ making a very loud noise, and probably not being particularly sensible about it. We advise you to drink heavily at this point.*

*You have been warned...*

**Doctor, Doctor, give me the news,  
I've got a suitcase of...**

# Angel Up Front

**Four-piece rock covers band**

**One Angel, three idiots\* and a  
rubber chicken...**

*Yo, homeys!*

*Right then, here's the next few weeks of our never-ending tour of duty in the mighty AUF rawk machine...*

*Plenty of gig action coming up, and we're mighty proud to have been invited back to play for the Ride Of Respect again this year. Last time we had a fantastic day, this one will be even better, and we're looking forward to catching up with some old mates, hopefully without the frostbite this time.*

*So – get your motor running, get out on the highway, and we'll see you somewhere out there on that Highway to Hull...*
