

Angel Up Front

If you're reading this, you've just heard (or are just about to hear) the West Country's most irresistably attractive purveyors of quality pre-owned rawk'n'roll™ making a very loud noise, and probably not being particularly sensible about it.

We advise you to drink heavily at this point,

You have been warned...

"Well, that was a damned good night", reflected Louisa, as she blearily awoke to find herself in a remote forest clearing.

"Now, where the hell are my clothes...?"

This month, we're celebrating the completion of Alan's poncey rebuilt Strat with our homage to the Art Nouveau works of Alphonse Mucha (who we stole the pictures from). Sadly, this new-found sophistication is unlikely to find its way into behaviour at gigs – although in an effort to raise the tone a little, please note that we now operate a strict "No exposed genitalia" policy.

Ben has asked us to emphasise that this restriction in no way applies to boobies.
