Hello, lovely people, Louisa here...

As the only relatively normal person in this band, I feel I should offer a public apology on behalf of my simpering buffoon bandmates for their consistently inappropriate and childish behaviour whilst out gigging in public. If it's any consolation, they are in fact rather more imbecilic the rest of the time. However, I shall be doing my best to keep their worst excesses under control over the coming months, and I

trust you can find it in your hearts to forgive their rather more bizarre episodes, should you happen across us at any of the venues listed below. And please keep any sharp objects safely out of reach of the drummer.
