Angel Up Front

Pre-loved Rawk'n'Roll..

...and only slightly silly

www.angelupfront.co.uk

Ahoy there, shipmates!...

And welcome aboard for this new series of voyages of the good ship Angel Up Front. This month, we'll once again be the scourge of the high seas, a-lootin' and a-plunderin' in the taverns of the Old West...

There'll be rum a-flowin', many a jig and a hornpipe played, many a swash is liable to get buckled, and you never know, if you're lucky, you might even get a Jolly Rogering...

So, shiver me timbers, batten down the hatches, splice the mainbrace, weigh anchor and hoist the mizzen, let's get this scurvy crew away to Davy Jones' Locker! Yarrrrrr!
