

Angel Up Front

"...Totty fronted rawk"

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another drink in. We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day, from when we start 'til closing time, and sometimes beyond...

Martin looks rather smug – but what is he thinking..?

What's all this, then?

We're Angel Up Front, probably the best-looking and most talented rock band you'll read about in this flyer. Here's this month's gigs, fun, games, and just a touch of existential philosophy. Lots more on www.angelupfront.co.uk.

If you like this kind of thing, seek medical attention. But first, subscribe to our Angel UpDate email newsletter. Just ask us about Colin, or bang an email to us at contact@angelupfront.co.uk, and we'll send a stream of merry tales from Life On The Road into your Inbox, plus warnings of upcoming gigs.
