# **Angel Up Front**

"....Totty fronted rawk'

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another drink in. We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day, from when we start 'til closing time, and sometimes beyond...

### **Martin's Technical Corner**

"For guitar players, I can't recommend this Talent Boost pedal too highly. No guitarist should be allowed onstage without at least one of these babies. Of course, you could also just put some sheet music in front of him – that shuts them up a treat, I can tell you..."

#### What's all this, then?

We're Angel Up Front, and we actually do this sort of thing quite a lot. Stuart hits things, Martin eats things, Alan writes this rubbish, and Suzi... oh, we don't even ask any more. Find out why on www.angelupfront.co.uk. If you like this kind of thing, seek medical attention. But first, subscribe to our email newsletter Angel UpDate.

Just ask us about Colin, or bang an email to us at <a href="mailto:co.uk">contact@angelupfront.co.uk</a>, and we'll send a stream of merry tales from Life On The Road into your Inbox, plus warnings of upcoming gigs, so you can avoid them. Here's our schedule for early 2008. Laters...
