

# Angel Up Front

**"...Totty fronted rawk"**

*So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another beer in. We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day, from when we start 'til closing time, and sometimes beyond...*

## **HM GOVERNMENT ALERT: SWINE FLU**

**DO NOT DO THIS**

# Angel Up Front

**Rock covers four-piece band**

**(or, sometimes)**

## Angel Under Cover

**Rock covers duo**

**And occasionally even**

## Angel Unplugged

**Impromptu acoustic shennanigans**

*Welcome to this month's Angel Up Front flyer, packed full of down'n'dirty rawk'n'roll; more outrageous than John Lydon and Iggy Pop selling hot buttered insurance, and scarier than a sombrero full of snot.*

*This month, we're going to try our hand at recording, and if it comes off - we'll try to stick it back on again and hope nobody notices.*

*In the meantime, we'll be out and about making a joyous loud racket as usual - we got some new tunes, some old tunes, and now we even got a big book about chickens.*

*Dates are correct at time of going to press, unless I got them wrong - it's always best to check with a responsible adult before setting off to a gig. If you find one, let us know....*
