

Angel Up Front

"...Totty fronted rawk"

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another beer in. We play stuff from Pink to Floyd, from the Cult to the Killers, from G'n'R to Green Day, from when we start 'til closing time, and sometimes beyond...

....and the birds just laughed....

Welcome to this month's Angel Up Front flyer!

Winter draws on - and it's starting to get a bit nippy out - so tuck it back in and we'll continue.

All comfy? Right, then, off we go. Here's our giggling itinererererary for the next month or so. Make a careful note of these dates in your diary, so you can be sure of avoiding walking in to one of our gigs by accident. Don't want to spoil a good night out, do you?

So, over the next few weeks we'll be dressing up all silly for Halloween at the Queen Vic (as a special treat, Alan has promised to wear trousers this year), we'll be risking life, limb, and Troutism in Keynsham, and we're even tempting fate by playing the Woody on Friday 13th! Nothing can possibly go wrong now..

Dates are correct at time of going to press, at least I think they are - it's always best to check with a responsible adult before setting off to a gig. If you find one, let us know...
