

Angel Up Front

"...Totty fronted rawk"

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, get another beer in, and watch what happens next. Oh look, they're bickering over who's round it is...

Welcome to Angel Up Front's first flyer of 2010!

A New Year, and a new bass player – a warm welcome to Ben, who'll be spanking the five-string for us from now on - although we haven't heard the last of Martin, he'll still be popping along from time to time for a bit of extra over-the-top rawk guitar action. As if one wasn't bad enough...

Highlights for the start of the year kick off with the dear Old Fox, not one but TWO visits to the Court of Queen Amy, and a few trips to places we've never played before – oh, the unsuspecting innocents... Best of all, though, it's Gus's AND Alan's birthday on the same day. Expect lots of jollity, unnecessary guitar solos, belly dancers, and perhaps a little light-hearted cross-dressing.

Dates are correct at time of going to press, at least I think they are – it's always best to check with a responsible adult before setting off.
