...same as the old boss?

*Yo peeps!
Well, after an incredible 11 years of non-stop gigging, our Suzi is hanging up her wings and running away to sunny Oireland.*

Doubtless she'll be popping back from time to time, but obviously we can't leave the drinking masses of the South-West starved of entertainment, can we...? Cue the lovely Louisa, enter stage left, sashaying across to the mike to take command of the mighty AUF rawk machine.

We're looking forward to continuing the never-ending tour of duty with our new Angel, and over the next few weeks we'll be pounding the boards – and the rubber chickens – from Swindon to Sodbury, Marlborough to Melksham, and Witney to – well, pretty much everywhere else around. And particularly excited is Stuart, who from now on gets to spend his Saturday nights staring at a different ass for a change...
