Evenin' all,

...and welcome to 2014.

A time to reflect on the event of achievements of the past year... only to realise that we can't actually remember very much of it.

If you've not seen us before, then we suggest you get yourself up to the bar pronto and get yourself a stiff drink to take the edge off of things a little. If you have seen us before - well, you can get us a stiff drink as well. Then you can sit back, relax, and wonder about the ducks... Meanwhile, here is a list of places to avoid for the next couple of months if you don't want to have to go through all this again...
