And a very warm welcome to 2015 to all our readers...

As you'll see from the listing below, it's a relatively quiet start to the year; but as you'll have probably just heard, it's still a little bit on the loud side...

But, just to keep things interesting, we have a few cunning ideas afoot for this year, including making poor multi-instrumentalist Lou work even harder at gigs, trying to cram even more kit into the back of Alan's little van, and maybe even trying to get to Stuart to remember to dress himself before coming out...
