Rosa here, welcoming you to the Angel Up Front Festive Flyer for December.

This month, I'm already getting seasonably excited about all the glitter, the cake, the chocolates, the cake, and... well, the cake, actually. But first, we gotta get out there and make some noise. So, fire up the reindeer, get in that sleigh, and come on out to join us for some festive rock'n'roll roistering.

*...And maybe even bring us some nice presents?
...Some cake, perhaps...? ☺*
