Fashion Crime Alert!

This is an important message from Trinny and Susannah. Following reports of a series of fashion crimes in the local area, the perpetrator has been tentatively identified as a Mr Stuart Chalmers, age 107, of no fixed abode. His modus operandi is to gain access to public spaces such as clubs and bars, posing as a drummer for a rock band, where he exposes his stylistic faux pas to innocent bystanders. Although he is not believed to be dangerous, members of the public are advised not to approach him for reasons of hygiene.

Sophisticated computer modelling techniques have been

used to predict his whereabouts over the coming weeks, and the locations listed below are considered to be particularly at risk.
