Howdy, Stranger!

So, you came in here for a quiet drink, and there's some dodgy-looking bunch of misfits setting up a PA system. Stay put, and get another beer in. You're in for an entertaining evening, whether you enjoy dancing on tables, vaguely wobbling rhythmically from side to side, or simply just shaking your head in pitying disbelief. We will be playing some popular and classic rock tunes, ranging from Blondie up to AC/DC territory. We might play a solo or two with a bath duck, or perhaps a rubber chicken. There could be hats. It all just depends.

The end of civilisation as we know it starts here...
