Captain's log, stardate 18-06-05.8

Whilst on a routine peacekeeping mission in the Gammah quadrant, we have detected a large disturbance in the sub-ether frequency range, emanating from the – previously considered uninhabited – Terran system. A landing party was sent down but contact was lost with them immediately. Subsequent armed landing party found only their red shirts, and the following message scrawled in blood onto the walls of a nearby quarry. It appears to be a warning of some kind...
